

REMARKS

Claims 1 to 27 are pending in the application.

The purpose of this amendment is to insert the reference to the parent application of which this is a Section 371 National Phase, place the application headings in appropriate U.S. form, insert a Brief Description of the Drawings section, place the claims in appropriate U.S. form, delete the multiple dependent claims in this application, and thereby eliminate excessive claim fees, and to correct typographical, syntax, grammatical and other errors to generally place the application in better U.S. form. Such amendments are formal in nature and no new matter is added by any of the above amendments. A marked-up copy of the substitute specification is enclosed to reflect these amendments. Entry of this amendment and early examination of this application are respectfully solicited.

Respectfully submitted,

Lothar ABRASSARD
